

ENVE 4030 HAZARDOUS AND SPECIAL WASTE MANAGEMENT
TERM PROJECT

Due to December 25, 2018 16:00

*Projects will be presented (max. 10 min) by you in the classes on December 26, 11:30-12:20
and December 27, 15:30-17:20*

- Prepare a report answering the question “how to recycle ... ?”
- Establish a group composed of maximum 2 students
- Choose one of the following “how to recycle ...?” questions via this link
<https://doodle.com/poll/kctapmbras7wvkkf>
- Each question can be chosen by only one group
- Prepare and submit a report of max. double-sided 1 sheet (2 pages) with a **graphical abstract*** and 3-slide powerpoint presentation (send the ppt file to my e-mail address)

*Graphical abstract is one single-panel image that is designed to give readers an immediate understanding of the take-home message of the report.
