

GRADING POLICY OF SWP100 COURSE

<i>Activity</i>	<i>Points</i>
Attendance to the first class on Feb 17	3
Office meeting with the instructor until Feb 24 (for those who could not attend the first class on Feb 17)	2
Sending project topic and abstract via email until Mar 9	3
Late submission of project topic and abstract until Mar 23	2
Meeting and agreeing on the content of the project until Mar 30	3
First meeting about the progress of the project until April 20	3
Second meeting about the progress of the project until May 25	3
Presenting final project report until June 19	3
Evaluation of the final project by the instructor	max 10
Total points achievable	28
Minimum points needed to pass the course	20

Notes:

Although projects could be done in groups, points will be received individually. Each student is responsible to participate in the meetings with the instructor.

If you miss the deadlines of the items above, you will lose the points indicated.

Final project evaluation will be on presentation, content and difficulty of the project.

Those who show poor attendance, i.e. missing a total of 5 weeks or more to weekly meetings, will get an automatic DZ (failing) grade.
