NOTE 1: Team members are required to participate to the demonstration. No shows up will be penalized in terms of his/her project score. Teams (groups) that need to replace its scheduled time slot can do that with any other team only and only if both teams mutually agree on the replacement. Replacements have to be reported to the instructor. In case of conflict and no show up, scheduled team takes the responsibility.

NOTE 2: Homework results are announced. Please contact with the Teaching Assistant no later than January 16, 2014, if you think that there is a mistake in your homework results.
